Dear Friend of Community Fathers Inc.,

In recognition of the important role fathers play in the welfare and development of their children we are thrilled to get in gear for the 6th Annual Fatherhood Conference of the Greater Capital Region!

We are truly appreciative of your consistent support of Community Fathers Inc. and our annual Fatherhood Conference throughout the years. We are excited to announce that sponsorship opportunities are now available for the 6th Annual Fatherhood Conference of the Greater Capital Region with this year's focus being "Community Development: Fathers Paving the Way ." being held at **College Park Hall at Union College, 450 Nott St in Schenectady, New York, 12308 on Tuesday, November 6th, 2018 from 9am-3pm.**

Today, with all that is happening in our communities having strong, prepared, and active fathers and father figures is more essential than ever. Intervening effectively in the lives of children and their families is not the sole responsibility of any single agency or professional group, but rather is a shared community concern. Competent fathering is imperative to a thriving community and Community Fathers Inc. is proud to present a conference that promises to help make connections between agencies in an effort to invigorate and foster the light that is inside every father, community leader, corporate business, and capital region resident alike.

Since 2009, our grassroots support group for men has been committed to strengthening their roles as fathers and have worked diligently to educate and empower other fathers to become active agents for change in their communities. The Community Fathers program offers a weekly support group to help fathers increase positive contact with their children. The model used is a holistic one, encompassing a broad base of community services. These services include father support groups, Fathers Re-entry Program in the Schenectady County Jail, Schenectady High School Fathers Program, our certified Domestic Violence for the Batterers Program, Young Fathers Home Visitation Program, Retired Fathers Corp, and a free Legal Clinic.

Included is a "Sponsorship Level Details" fact sheet for your review. If you are interested, please fill out the enclosed form and return it directly at communityfathersinc@gmail.com. Please feel free to reach out to me if you have any questions about the sponsorship package or about our organization in general. We look forward to your participation in this most important and timely event!

Sincerely,

Walter Simpkins
Executive Director
